Mr. Hardy R. Collier,
Coldthwaite, Tex.

Dear Hardy;

I am returning the original photograph of Uncle Efford also one of the copies I had made, this copy is not as good as it should be but the photographer assures me that it will never fade. I am also enclosing one of myself.

Perhaps your Aunt Fannie remembers my Father, he was very much like Uncle Efford in resemblance but not quite so stout. I trust you are all well, it has been extremely warm in this section of the Country. The cotton crops are cut half into in Georgia likewise the corn and the manufacturers are also running dull.

With usual sincere regards to all of you, I remain

Sincerely
